WELCOME

A football club founded in Manchester in 1894, to serve its community and to bring them together. That concept, so central to the Club's genesis in the 19th century, remains our focus today as we aim to serve our 21st century communities on a local and global scale.

WE WILL NEVER FORGET WHO WE ARE OR WHERE WE COME FROM;

We are immensely proud of the steadfast support we receive from our fans. It is at the forefront of everything we do, to ensure the matchday experience is the best it can be. We strive to be open and accessible, to provide the best service and support at all times.

And this charter is for those supporters. Over the following pages you will find information about the Club's services, values and approach to supporter engagement and communication. It outlines our principal commitments and policies, to ensure transparency and accountability.

Thank for you for your continued and loyal support.

MATCHDAY

We seek to provide the best matchday experience for all of our fans, as well as ensuring the highest standards of health and safety are maintained for the benefit and protection of everyone. If you are visiting the Etihad Campus for the first time, attending a match at the Etihad Stadium or Academy Stadium or need assistance to plan your visit, visit mancity.com/matchinfo for further information.

Matchday at City is first and foremost about what happens on the pitch. But below you will find more information about the things you can do to make your visit to the Etihad Stadium even more special.

CITY SQUARE

City Square opens two and a half hours before the match and is our dedicated fanzone featuring presenters, guests and live music. It has 3 large screens, a main stage, the Summerbee Bar and the family friendly Blue Moon Café.

BLUE CARPET EXPERIENCE AND PLAYER ARRIVAL

Our Blue Carpet Experience takes place outside the Colin Bell Stand entrance and includes our very own unique team arrival. The first team usually arrive about 90 mins before kick-off. The show is aimed at our family audience and if the little ones want to see their heroes in person, this is the best place to be!

IN THE STADIUM

The Etihad Stadium has a 53,500 capacity. This includes 5,620 rail seats in the lower tier of the South Stand, including the South East and South West corners - to enhance supporter safety.

Turnstiles open 2 hours minutes before kick-off and once inside the stadium you can enjoy food and refreshments from our concessions stands, with Season Ticket Holders able to benefit from a 10% discount on food and drink in the concession areas. The last 15 minutes before kick-off really ramp up to get everyone ready and in good voice for the team walking out. We encourage supporters to be in their seats at least 15 minutes prior to kick off. At half-time our City presenters host live entertainment on the pitch with activities, special guests and interactive fan games.

POST-MATCH

City Square re-opens for post-match analysis with our Match Day Live presenters. The Café and Bars reopen, result dependant, and we analyse the game and review the goals, incidents and matchday stats.

PLAYMAKERS

Our Playmakers – dressed in yellow – are around the stadium, City Square and in the Family Stand. They are there to help and if you have any questions please ask as they are only too happy to help. They are regularly stocked with free goodies and treats for all so make sure to say hello.

KIDS FANZONE

The Man City Kids Fanzone is a completely free event that runs for two-and-a-half-hours before every home weekend match on the indoor pitch located at City Football Academy.

Join us for loads of free pre-match fun. Get involved with all our activities, meet Moonbeam and Moonchester, snap a photo with the trophy and take part in our competitions to win some exclusive prizes.

MATCHDAY TIMINGS

The below follows the timings for a 3pm kick off. While the specific timings will change to be aligned with the relevant kick off time, the timeframes will remain largely the same.

BAGS

Large bags are not permitted into our stadiums. This includes backpacks, holdalls, rucksacks, luggage or other similar items. No oversized bags will be allowed. Small bags not exceeding A4 size (12"x8"x3") will be accepted.

If you must bring a bag to a match at The Etihad Stadium that exceeds the allowance, a bag storage facility will be in place that you can use to securely store your items until the match has finished. The bag storage will be priced at £5 for Season Ticket holders, and £10 for match buyers. There is no bag storage facility at the Academy Stadium.

If you have a medical condition that requires you to bring a bag or other equipment, please contact the Access Team at access@mancity.com.

SMOKING

The entire Etihad Campus, including roadways, car parks and concourses, is smoke free. The use of electronic cigarettes is also prohibited, and we operate a strict no re-admission policy.

VISITING THE ACADEMY STADIUM

Another key part of the Etihad Campus is our Academy Stadium, home to Manchester City Women and our EDS and our Academy teams.

With a capacity of 7,000, it has accessible toilets, refreshment kiosks and merchandise stalls, at regular points around the stadium.

Unlike the Etihad Stadium, there is no designated visitors section at

the Academy Stadium, meaning home and travelling supporters can sit next to one another.

On event days, tickets for home and visiting fans can be purchased from the ticket office located under the bridge at the City Plaza of the Academy Stadium.

The Academy Stadium is easily accessible using all modes of transport and is within

easy walking distance from Manchester city centre.

Further information about the Academy Stadium and its policies can be found [here](#).

Alternatively, they can list their ticket for resale on our Ticket Exchange platform. For more information on Ticket Exchange, click [here](#).

We ask that you carry out your own personal risk assessment prior to purchasing a match ticket, factoring in all aspects of your experience, for example how you will travel to the stadium and the facilities you need access to that may or may not be available.

DATA PROTECTION

Each purchaser acknowledges and agrees that the personal data provided by the purchaser to the Club in the purchase of tickets shall be collected, stored and used by the club in accordance with the Data Protection Act 2018 and General Data Protection Regulations 2016/679, and the Club's privacy policy which is published on our website.

PARKING AND TRAVEL

The Club, [Transport for Greater Manchester](#) and local transport operators work together to provide the services that you need to both arrive at the stadium in good time and get home safely. SANCTIONS AND BANS

When attending a match at the Etihad Stadium or Academy Stadium, and purchasing a ticket you must be aware of, and adhere to, the terms and conditions of sale, Ground Regulations and any applicable Code of Conduct. These can be found on the Club's official website.

Failure to make yourself aware of these conditions, and follow them at all times, may lead to a sanction being applied in line with the Club's official sanction process. The Club reserves the right to investigate incidents at any time that evidence is presented to them and will work with the Police and other authorities where a criminal act has taken place.

ADDITIONAL INFORMATION

- 01** The Club's Investigations Team will conduct a full investigation following receipt of a formal complaint via a steward on matchday, through the Kick It Out app, or Supporter Services following the matchday. The Investigations Team shall also determine if a complaint constitutes a "standard" case, in which case they shall inform the Club's Sanction Panel of the action taken or a "complex" case, in which case the Sanction Panel shall be convened to determine the action taken.
- 02** Examples of the factors which may be considered by the Sanction Panel when applying any sanction shall include but not be limited to: any previous offence committed by the supporter, age of the supporter, multiple offences committed in one incident, safety risk to other individuals and intent. The panel will also consider any reasonable mitigation offered by the supporter when deciding the level of sanction applicable.
- 03** If the Club reasonably believes that there is a genuine risk of reoffending and/or any risk to other supporters or staff, then the Club reserves the right to impose a temporary suspension of a supporter's Season Ticket or their ability to purchase match tickets, prior to making any further decisions. In such circumstances the Club will communicate with the supporter in writing and will provide the facts and evidence it has based its decision on.
- 04** The Club may impose a sanction independent of any action/sanction applied by the police and/or other relevant authorities. The Club will proactively provide relevant information to the Police and/or other relevant authorities to assist with their investigations.
- 05** Any supporter issued with a sanction by the Club further to this sanction process and procedure shall not be entitled to any refunds unless the Club informs the relevant supporter otherwise.
- 06** All formal correspondence shall be provided to the supporter via post or email and sent to the details which are registered on the supporter's account.

SUSTAINABILITY

Manchester City is committed to creating a sustainable environment and we continue to identify and implement measures to enhance and protect our environment – both now and for future generations.

We are working actively to achieve credible CO2 Net Zero by the end of the decade, making our Club and the Etihad Campus one of the country's most sustainable sport venues.

As part of this, we have completely removed all single use plastics across the stadium and we have reduced our waste output to ensure that none is sent

to landfill. Also a significant portion of our food and drink is supplied by local producers, helping to reduce food miles on a matchday.

Meanwhile at the Etihad Stadium, further sustainable solutions have been introduced to our match day floodlighting and to the care and watering of our pitch. Not only is this a sustainable programme but it enhances match day experiences from improved lighting to maintaining the very best playing surface.

Our recently installed LED lighting means that floodlights are 55% more efficient and save almost 30 tonnes of CO2 annually, while the

underground 'Permavoid' system ensures the even distribution of air flow across 52% of the Etihad Stadium pitch. This system can hold up to 500 cu/m of water from rainfall which can then be fed through the pitch sprinklers and reused to water the pitch as needed.

We also continue to identify, discuss and develop practical travel and transport plans for the future.

Further information about the Club's sustainable efforts can be accessed [here](#).

COMMUNITY COMMITMENT

Manchester City is committed to being a good neighbour to the residents of East Manchester.

We ask that all visitors to the Etihad Campus and surrounding areas respect the homes and property of the residents by carefully disposing of their rubbish, using the toilets provided on the campus, adhering to the residents parking scheme and being mindful of noise and disruption as they arrive and leave the campus.

CITY IN THE COMMUNITY

Manchester City's community story began in 1880 when the Connell family harnessed the power of football to support their local community. Today, its desire to bring positive change to communities in Manchester and across the world through football is as strong as ever.

Established in 1986, City in the Community (CITC) has been using football to create opportunities, build futures, and touch lives in a unique way ever since.

The charity currently delivers 17 health, education and inclusion-based projects to more than 17,500 people aged two to 85 across Manchester.

2021/22 saw CITC deliver 17 programmes reaching 19,119 people aged between 2 and 79, totalling over 22,000 community sessions and averaging 29 hours per participant.

A current key focus for the charity is to support the mental wellbeing of young people and CITC recently launched a new project, City Thrive. This programme promotes positive mental health amongst 14-to-25-year-old participants. In partnership with the NHS, the team developed a new curriculum, blending specially adapted football sessions with one-to-one mentoring and group workshops on mental health awareness, in order to improve wellbeing.

Elsewhere, the charity offers learning and employability pathways through primary, high school and further education, creates safe spaces for young people to access, and regularly delivers enjoyable sessions for people of all abilities and backgrounds.

City in the Community creates opportunities for fans to support its work in meaningful ways, including via fundraising challenges and volunteering throughout the season. To find out more, follow CITC across its social media pages, visit mancity.com/community or email citc@cityfootball.com.
